## DESCRIPTION

**Volkswagen ID.4 Pro traction intégrale avec SK à batterie 2023 à vendre**

This 2023 Volkswagen ID.4 Pro with Standard Range Battery is available as a pre-owned vehicle at Magog Honda in Magog, with 72,000 km on the odometer and all-wheel drive making it a capable year-round electric SUV. The ID.4 occupies a strong position in the compact electric SUV segment, balancing everyday practicality with zero-emission driving in a well-packaged format. Volkswagen's commitment to long-term software support and its growing EV infrastructure add confidence to this purchase, and the AWD Pro configuration represents one of the more versatile setups in the lineup. This vehicle is a natural fit for families, dual-income households, or anyone looking to reduce fuel costs without compromising on space or capability. It comes equipped with heated front seats, a backup camera, and an integrated navigation system - features that support daily commuting and longer road trips alike...
